Tuesday, April 27, 2010  
Regency Room

9:00 – 9:50 AM  
Anne Chenoweth, MBA, MT(ASCP)<sub>CM</sub>, CQA(ASQ)  
AABB Department of Accreditation and Quality, Bethesda, MD  
"The AABB Assessment Process from Step One to Certificate"  
598-001-10 Intermediate

9:50 – 10:40 AM  
Evan A. Farkash, MD, PhD  
Mass. General Hospital  
"Erythropoietin: Renal Regulation of Red Blood Cell Production"  
598-002-10 Intermediate

10:40 – 11:00 AM  
Break and Exhibits

11:00 – 11:50 AM  
Christopher Stowell, MD, PhD  
Blood Transfusion Service, Mass. General Hospital

"Red Blood Cell Storage and Clinical Outcomes: The State of Controversy"  
598-003-10 Intermediate

12:00 – 1:00 PM

**Presentation of 2010 Karen Tiegermann Memorial Lectureship Award to Olive Sturtevant, MT(ASCP)  
Dana-Farber Cancer Institute**

Lunch and Exhibits

Menu:

Baked stuffed haddock, lobster sauce

Apple brie chicken, boursin sauce

-----

Whittier Room

9:00 – 9:50 AM

Betsy Lang, MSW, LICSW, OSW-C, CT  
and

Eric Hanson, MSW, LICSW

BMT Service, Mass. General Hospital

"Supporting the BMT Patient and Their Family"

598-004-10 Basic

9:50 – 10:40 AM

Yi-Bin Chen, MD

Hematology/Oncology, Mass. General Hospital

"Markers in Prediction and Treatment of Graft vs. Host Disease"

598-005-10 Intermediate

10:40 – 11:00 AM

Break and Exhibits

11:00 – 11:50 AM

Raymond L. Comenzo, MD

Blood Bank and Neely Cell Collection Center, Tufts Medical Center

"Stem Cell Transplant for Multiple Myeloma: A Durable Success Story"

598-006-10 Intermediate

12:00 – 1:00 PM

Lunch and Exhibits

Menu:

Baked stuffed haddock, lobster sauce

Apple brie chicken, boursin sauce

(all afternoon lectures in Regency)

1:00 – 1:50 PM

Menu:  
Roast sirloin strip of beef, mushroom sauce  
Porcini mushroom ravioli, creamy sauce

-----

Whittier Room

9:00 – 9:50 AM  
Richard L. Haspel, MD, PhD  
Stem Cell Processing Laboratory, Beth Israel Deaconess Medical Center  
**2010 recipient for the Morten Grove-Rasmussen Award**  
"Review of the 4th Edition of the AABB Standards for Cellular Therapy"  
598-013-10 Intermediate

9:50 – 10:40 AM  
Zbigniew M. Szczepiorkowski, MD, PhD  
Cellular Therapy Center, Dartmouth-Hitchcock Medical Center, Lebanon, NH  
"Cell Based Immunotherapy in Cancer: Dartmouth Experience"  
598-014-10 Intermediate to Advanced

10:40 – 11:00 AM  
Break and Exhibits

11:00 – 11:50 AM  
M. William Lensch, PhD  
Harvard Medical School, Children's Hospital Boston  
"Stem Cells and the Future of Hematological Disease Therapy"  
598-015-10 Intermediate

12:00 – 1:00 PM

Lunch and Exhibits

Menu:

Roast sirloin strip of beef, mushroom sauce

Porcini mushroom ravioli, creamy sauce

(all afternoon lectures in Regency)

1:00 – 1:50 PM

Mark Fung, MD, PhD

Blood Bank and HLA Lab, Fletcher Allen Health Care, University of Vermont

“Platelet Refractoriness; Strategies for Identifying Compatible Platelets”

598-016-10 Intermediate

1:50 – 2:50 PM

Break – Student Raffles – Exhibits– Cake

2:50 – 3:40 PM

Debra Breitenbecher, BS, MT(ASCP)

Southboro Medical Group, Southboro, MA

“CAP Laboratory Accreditation Program for Transfusion Medicine”

598-017-10 Intermediate

3:40 – 4:30 PM

Walter Dzik, MD

Blood Transfusion Service, Mass. General Hospital

“Reversing Anticoagulation with Blood Products”

598-018-10 Intermediate

---

## List of Exhibitors

[AABB NATIONAL BLOOD EXCHANGE](#) • Blood Resource Sharing

[AMERICAN RED CROSS](#) (see ad in program booklet) • Blood Products and Services

[BIO-RAD](#) • Blood Bank Reagents

[CHASMA SCIENTIFIC, INC.](#) (see ad in program booklet) • Generic Disposables • Blood Bank Equipment - Reconditioning and Refurbishing

[CSL BEHRING](#) • Helixate FS, • Peregén

[GENESIS](#) • Total Containment Device –TCD • Sterile Tube Welder • Pedi-Pak (R) • Pedi-Syringe Filter

[GRIFOLS](#) • Flebogamma Albumin

[HELMER](#) • Ultra CW Cell Washer • SeroSpin • Quick Spin Plus

[HEMO BIOSCIENCE](#) • Lecithins, • Specialist Solutions

[HEMOCUE](#) • Hb301 Analyzer, • Plasma/Low Hb Photometer

[IMMUCOR, Inc.](#) • Blood Bank Reagents and Automation

[KOL Bio-Medical Instruments](#) • Compodock Waferless Sterile Docking System • Neonatal and Adult Transfusion Products

[LABS, INC.](#) • Complete Infectious Disease Testing Menu • Product Quality Control Testing • Testing Services

[Med-Tech Gases, Inc.](#) • Cryofreezer Sales and Service

[Next Control Systems](#) (see ad in program booklet) • Wireless temperature sensor with receiver

[Nouvation, Inc.](#) (see ad in program booklet) • OTIS=Occurrence Tracking Information System

[Novo Nordisk](#)

[Ortho Diagnostics](#) • Provue and ID-MTS Gel Workstation

[Pall Medical](#) • Hemoflow Blood Collection Mixer • Acrodose PL System

[Precision Dynamics-TimeMed Corporation](#)

[Progenika Inc.](#) • Blood Group Genotyping

[Quotient Biodiagnostics Inc.](#) • Blood Bank Reagents

[Rees Scientific](#)

[Rhode Island Blood Center](#) • Blood Products and Services

[TERUMO TRANSFUSION](#) (see ad in program booklet) • Terumo TSCD • Imuflex WB-RP In-Line Leukoreduction System

[VALIDATION PARTNERS, INC.](#) • Blood Bank Validation • Data Conversion Service • National Patient Registry Data

[WESCOTT LABORATORY SOLUTIONS](#) • Temp Check Rapid Response Thermometer • BioHit Pipettors • Work Stations and Reagent Racks

[Workplace Systems](#) • Lab Furniture

[WYNDGATE TECHNOLOGIES](#) • Safe Trace Tx • EdgeCell • El Dorado Donor
